

It is with great pleasure that I recommend Janice Robinson. I have known her for two years, while she completed the massage therapy program at Westside Tech, getting her LMT (Licensed Massage Therapist).

Janice has always displayed a high degree of integrity, responsibility, and ambition. She is definitely a leader rather than a follower. In addition to her excellent scholastic accomplishments, she has proven her ability by using her talents to create new approaches to superior reflexology treatments.

She is also a most dependable person. Her good judgment and mature outlook ensure a logical and practical approach to her endeavors.

Sincerely,
